PeopleService INC.
Water & Wastewater Professionals

When you want to make a difference, select the profession that makes a difference.

- If you want to work in a profession that helps protect health and the environment, we want to talk with you.
- If you like math, science and technology, and applying what you know to the real world, this career path is perfect for you.
- If you want to learn from the best who are great mentors, we've got you!

Work with a proven leader.

PeopleService is the leading water and wastewater management and operations company in the Midwest. With services in five states (and growing), we have door-opening opportunities that get you into a great career.

The industry is growing. The need for people in this industry is, too. That's why we want you.
