Dear Avon/Albany Families,

It is time to sign up for the second trimester of snacks! We need a form filled out for each child and it must be returned by the start of the first trimester. The LAST day to return and still be included is October 31st, please have forms submitted before the deadline. We will offer fresh fruit each day too. Below is a rotation of the choice for snack each day.

Monday: Pretzels

Tuesday: Choc. Chip Granola

Wednesday: Cheez-it

Thursday: Annie grahams

Friday: Fruit snack

We will do the snacks on a Trimester basis so none will be sold on a daily basis and they will need to be paid for at the beginning of each Trimester. The cost of the snacks for an entire Trimester is only \$20.00 for 57 days of snacks.

We no longer are offering Juice as another option. We would like to encourage all students to consume more water throughout the day and this is a great opportunity in their day to do so.

As a reminder we are also offering the celebration and birthday snacks from food service. If you are interested in getting a birthday treat for you child you can find the form online under the lunch tab of the school website. These initiatives will ensure that your child is receiving tasty and nutritious foods throughout the school day. Having sufficient nutrition will result in your child performing academically and athletically to the best of his or her abilities. Healthy kids make better learners.

If you have any questions regarding this policy, the new snack cart and/or birthday celebration options please let me know.
