Reset (As Needed in Years 4-7)	<ul style="list-style-type: none"> Based on evaluation, make MAJOR adjustments if needed 	<i>TBD through evaluation process</i>	<i>TBD through evaluation process</i>	<i>TBD through evaluation process</i>	<i>TBD through evaluation process</i>	<i>TBD through evaluation process</i>	<i>TBD through evaluation process</i>	<i>TBD through evaluation process</i>	<i>TBD through evaluation process</i>

Assumptions

- Critical thinking, collaboration, creativity, and communication are essential to the development of all Albany Area Schools' learners.
- Social Emotional Learning curriculum will be a key component of curriculum development in all content areas on an annual basis.
- College and Career readiness efforts across grade levels and content areas as well as careers exploration will be a key component of curriculum development in all content areas on an annual basis (Community and Business Partners connection)
- All content areas will include the needs of SPED, Gifted, and EL stakeholders in their review process.
- Vertical alignment is a key component of curriculum development, and the district will commit curriculum time to this.
- Technology integration will be a key component of curriculum development in all content areas on an annual basis.
- MDE Standards may change at a schedule other than what Albany Area Schools has determined for curriculum review. The review plan will be an adjusted as needed so that the school district is in compliance with MDE expectations.
- All current Albany Area courses will have a standards alignment document within a template provided by the district.
- New courses may be added according to school board procedure each year. These courses proceed directly into curriculum writing the year prior to being offered for students. Once the courses are developed, the class will join its content area in the predetermined cycle phase.
- Board approved curriculum cycle will be posted online. Curriculum adoptions will include teacher input, community comment, and board approval.
- Adjustments to curriculum areas with state assessments will receive highest priority in terms of ongoing improvement and resources.
- All curricula adoptions will come in at or under budget.
